Microchip Reader Rental Agreement

"Protecting and Expanding Performance and Beauty"

If you need a microchip reader to verify the microchips in your horses, the FHS office will rent one to **members** under the following conditions:

- ❖ A \$400 deposit is held on it.
That can either be:
 1. A check that FHS would hold and not cash unless the reader was **not returned returned late** or **returned damaged**.
If none of the above apply, nothing will be deducted from the deposit and the check can either be destroyed or returned to you.
 2. The other option would be to sign a credit card authorization form for \$400 that would not be charged unless the reader was **not returned, returned late** or **returned damaged**.
If none of the above apply, nothing over the \$25 rental fee will be charged to your credit card and this form can either be destroyed or returned to you.

- ❖ There is a rental fee for the reader of \$25 and that is for 5 days. If the reader is not postmarked within 5 days after you receive it, there is an additional \$5/day late fee until it is received back at the FHS office.
